Mark,

I have phoned him twice and left a message, but I haven't heard back from him.

I'll let you know if he returns my calls.

Best,
Jerry

Jerry,

This article below caught the attention of the Iowa Renewable Fuels Association, who mentioned it to a member of the Board of Regents. He then passed it on to President Mason and asked to connect you with IRFA.

Would you please reach out to Monte Shaw at IRFA? His contact information is below the link to the article. Also, please let me know when you have connected with him so I can keep President Mason up to speed.
